

5th June 2026

Dear Parent/Carer,

As your children reaches the end of their journey at **Ifield Community College**, I would like to take this opportunity to thank you for the support, encouragement, and partnership you have shown throughout their time with us.

It has been a privilege to watch this year group grow and develop over the years, both academically and personally. Seeing them mature into the young adults they are today has been one of the most rewarding aspects of my role as Head of Year and I am incredibly proud of all they have achieved.

I would also like to acknowledge the important role you have played in their success. Your support at home, your guidance and your commitment to their education have helped them navigate challenges and celebrate achievements along the way.

As they move on to the next stage of their lives, whether that be further education, training, or apprenticeships, I wish each and every one of them the very best for the future. I hope they continue to pursue their dreams and aspirations with confidence, determination, and ambition.

Thank you once again for your support over the years. It has been a pleasure getting to know both you and your children, and I look forward to hearing about their future successes.
